## BOUND INSERTS

Bound inserts are printed materials/brochures from a single advertiser that are firmly bound into the issue. They can either be delivered ready for processing or produced by us on request.

12	252
16	276
every addl. 4 pages	+20

Bound inserts with tip-on elements on request.

Minimum circulation: Total circulation

**Price Quotes** Rates per thousand copies started. Rates for special ad formats may increase if their processing causes problems. Special ad formats from more than one advertiser are possible following special agreement. Weight-related postal fees charged by the German Post for booking the subscription circulation are included in these prices. If the minimum booking quantity is not reached, the minimum booking quantity is used as the basis for calculating the price.

**Circulation** For technical reasons the booked circulations are subject to fluctuation. For this reason the quantity of special ad formats actually required must be determined when placing the order. Different versions in the same issue are only possible on request.

**Technical Information and Delivery** Binding technical information, deadlines, samples, as well as delivery can be downloaded from [www.adspecial-portal.de](http://www.adspecial-portal.de). An inquiry regarding the circulation can also be placed through the portal. In the event of any processing difficulties, the completion of the circulation takes precedence over the special ad format.

**Print Service** On request, the special ad formats can be produced by the publisher. Prices on request.

The price for the total circulation will be used when calculating the rate for the total circulation, the domestic circulation incl. subs and the domestic circulation without subs. All rates are shown in euros; the rates are in effect from 1 January 2024 for bookings through RTL AdAlliance; value added tax will be charged on the net invoice amount if applicable.
